WORK EXPERIENCE

BrainVessel, Branding | Art Gallery — co-owner

2013 - PRESENT

- Managed projects from storyboard to completion, collaborating with clients to produce animations, printed collateral, promotional giveaways, digital marketing, logo design, billboards, character design, and game assets.
- Created, animated, and managed [Don't Be A Weasel](#), an eight year marketing campaign for the PA Insurance Fraud Prevention Authority, creating characters for animated and live action shorts as well as web, print, and outdoor promotions.
- Created, produced, and delivered eight successful Kickstarter campaigns to launch a series of award-winning [playing card decks](#), twelve of which are hand illustrated by me.
- Animated several informative advertisements in a variety of styles for brands such as [Smart Center](#) and [Ejudged](#).
- Created my personal brand of [fine artwork](#) to display and market in the form of prints, t-shirts, and playing cards.
- Created characters, game assets, and animations for a [Sheetz mobile game](#).

Savannah College of Art and Design

- Managed the BrainVessel print program for artists in our network, assessing, printing and selling their artwork at our three [BrainVessel Art Gallery](#) locations.

Gotta Pea, Inc. — animator/illustrator

Aug 2012 - Dec 2012

- Streamlined and developed character designs for cartoon and toy property, [Gotta Pea](#), and responsible for creating all visual assets of the cartoon property.
- Animated 2D sprites and graphics for IOS game Peakour and worked with a team of developers to design game mechanics and level design.
- Worked on game mechanics and game assets for other Gotta Pea games and desktop activities such as "Pea in the Pool" and "Pea Yourself".
- Created animated trailers and promotional videos using Gotta Pea characters.

andCulture — animator/illustrator

Aug 2009 - July 2012

- Created characters, illustrations, and animations in marketing campaigns for clients such as [Get Satisfaction](#) in which I created the character JarGon, providing animation and illustrations for web and print media.
- Storyboarded and animated shorts for [Glummies](#), an animated web cartoon property as well as assets for an interactive website and merchandise.
